Meet and Greet

You'll have the opportunity to meet and greet fellow enthusiasts in our dedicated area. Engage in meaningful discussions, learn from experts, and share your own experiences. This event aims to inform, educate, and connect like-minded individuals, fostering personal and professional growth. Don't miss out on this chance to network and be a part of a vibrant community of passionate individuals.

Board Games

Come and enjoy entertainment, relaxation, exhilaration, and joy with fellow game enthusiasts. Don't miss out on this exciting event where you can unwind, have a great time, and make lasting memories with friends and family with board games, fun, and connection.

"Rainbow City" Craft

John David Berdahl instructor presents an exciting and creative activity for parents and children to enjoy together. With the help of this project, you can transform ordinary cardboard and printing paper into a vibrant and interactive rainbow city.

RRVAN Legos

Research has shown that playing with Legos, even for a short time each day can help with depression, positively improve your wellbeing, and help children with ASD and communication challenges develop language and collaboration skills!

Frank Hunkler Q&A

Discover the transformative power of love and self-discovery with Frank Hunkler. Embrace the message of unconditional love and self-awareness as Frank invites you into his world, where "I love you" is not just a phrase, but a way of life rooted in the belief that "I am love".

Prairie Public Early Learning Resources

Whether used at home or in a community setting, these resources are designed to facilitate interactive learning experiences that promote literacy skills and scientific exploration in young children.

"I'll Start From Here" Showing

Introducing the "I'll Start From Here" John David Berdahl documentary film, a captivating showcase divided into two segments. Explore the importance of mental wellness through personal stories, offering a glimmer of hope. Set in the vibrant community of Fargo-Moorhead.
